

PCP Identification for BHH Policy

Date of Origin: June 13, 2018
Modification Date(s): 7/17/18, 7/10/19
Date of Last Review: 9/14/21

I. Purpose

To ensure that a Behavioral Health Home (BHH) member has an identified primary care provider.

Aligns with Regulation: MaineCare Benefits Manual Section 92 Behavioral Health Home Services (92.04-2 Page 12 Letter C)

II. Policy

The BHH will work with the member to identify a Primary Care Provider (PCP) or Health Home Practice (HHP) once enrolled in the BHH program.

III. Procedure

The Health Home Coordinator will address this as a need on the plan of care and assist the member in establishing a primary care provider within the health home practice.
