

FEE SCHEDULES

Date of Origin: *May 8, 2018*

Modification Date(s): 02/12/2019

Date of Last Review: 5/14/24

I. Purpose

To maintain fee schedules to be available to clients as required by Sec 1. 22 MRSA §1718-A and Mental Health Licensing FM.2

II. Policy

For services limited strictly to MaineCare clients, the fee is based on MaineCare allowed rates and adjusted as MaineCare allowable rates are adjusted. For services offered to a variety of insured or uninsured, the rate will be based on an appropriate allowable rate.

A list of frequently provided health care services and procedures will be maintained and available for clients upon request as well as on the company website. The price list will include all frequently provided health care services and procedures as defined by the Act and will include procedure codes and price for each listed service.

Clients will be notified about the availability of a price list in the Intake process.
