

## **PCP Identification for BHH Policy**

Date of Origin: June 13, 2018

Modification Date(s): 7/17/18, 7/10/19

Date of Last Review: 12/10/24

### **I. Purpose**

To ensure that a Behavioral Health Home (BHH) member has an identified primary care provider.

Aligns with Regulation: MaineCare Benefits Manual Section 92 Behavioral Health Home Services (92.04-2 Page 12 Letter C)

### **II. Policy**

The BHH will work with the member to identify a Primary Care Provider (PCP) or Health Home Practice (HHP) once enrolled in the BHH program.

### **III. Procedure**

The Health Home Coordinator will address this as a need on the plan of care and assist the member in establishing a primary care provider within the health home practice.
