

## **Shared Living Program: Compliance with Behavioral Support, Modification & Management Policy**

Date of Origin: 01/14/2022

Modification Date(s):

Date of Last Review: 12/10/24

### **I. Purpose**

To ensure all employees, volunteers, and contractors of the UCP of Maine Shared Living Program maintain compliance with the regulations governing behavioral support, modification and management for people with intellectual disabilities or autism as defined in Maine Regulation 14-197 CMR ch.5.

### **II. Policy**

It will be the policy of UCP of Maine that all employees, volunteers, and contractors ensure the dignity, rights, and safety of all clients served by following Maine Regulation 14-197 CMR ch.5 Regulations Governing Behavioral Support, Modification and Management for People with Intellectual Disabilities or Autism.

### **III. Procedure**

Prior to accepting a client in the home, the Shared Living Provider will review Maine Regulation 14-197 CMR ch.5 with the Program Manager. During visits, interviews, and ongoing, program leadership will monitor for compliance with the regulation.
