

Stakeholder Input Policy

Date of Origin: July 11, 2018
Modification Date(s): 1/30/19
Date of Last Review: 12/10/24

I. Purpose

To define the responsibility of UCP's Board of Directors to seek stakeholder input as defined by the certification requirements in 14-197 CMR Chapter 10 and Licensing Standards from the Department of Mental Health and Mental Retardation Division of Licensing

II. Policy

UCP's Board of Directors will periodically connect and communicate with individuals or family members of those who are receiving services and members of the communities UCP serves to gather feedback and discuss the nature and direction that the agency is heading.
