

Waiver Homes: Visitation Policy

Date of Origin: 11/22/19

Modification Date(s): 7/11/22

Date of Last Review: 11/12/24

I. Purpose

To outline how the agency will encourage each client to have visitors over as part of the full inclusion of all aspects of their chosen community.

II. Policy/Procedure

The agency will allow visitors at any time, unless there is a restriction related to a health or safety risk.

Permission is not required to have visitors and visitors do not have to sign a log when present at the Waiver Homes.

The agency is not responsible for care of visitors or the transportation of visitors.

The agency will have a location (Residents personal space) where the clients can visit privately with visitors to ensure privacy and confidentiality of the residents and visitors.

Visitors can be hosted for a meal with 24 hours notice of advance notice.
